

# AASHTO COMMITTEES AND TECHNICAL SERVICE PROGRAMS

## Board of Directors

Executive Committee

Strategic Management Committee

## Special Committees

AASHTOWare (SCOA)

See Technical Service Programs for additional details

Associate Members

Special Committee on Research and Innovation (SCRI)

Community of Practice: Innovation (ICOP)

Subcommittee: Research Advisory Committee (RAC)

Working Groups:

Transportation Knowledge Networks

RAC Website

Task Forces:

Administration

Coordination and Collaboration

Program Management and Quality

Value of Research

## Policy Bodies

Transportation Policy Forum (TPF)

Steering Committee

Special Committee on Freight (COF)

Steering Committee

Council on Aviation (COA)

Steering Committee

Council on Highways and Streets (CHS)

Steering Committee

Council on Water Transportation (COW)

Steering Committee

Council of Rail Transportation (COR)

Steering Committee

Council on Public Transportation (CPT)

Steering Committee

Council on Active Transportation (CAT)

Steering Committee

Subcommittees: Policy

Special Committees: U.S. Route Numbering

Other: U.S. National Committee-PIARC

Subcommittees: Policy

Safety

Research

## Technical Service Programs

AASHTO Innovation Initiative (SCRI)

Census Transportation Planning Products (COP)

Development of AASHTO Materials Specifications (COMA)

Design Publications Maintenance (COD)

Equipment Management (COM)

Environmental Technical Assistance Program (CES)

Frequency Coordination (CTSO)

Highway Safety Policy and Management (COS)

LRFD Bridges and Structures Specification Maintenance (COB)

Multi-State Transit Technical Assistance Program (CPT)

Operations (CTS)

Resilient and Sustainable Transportation Systems (CES)

Snow and Ice Cooperative Program (COM)

Transportation System Preservation (CBS)

TRAC/RIDES (CKM)

AASHTO Rail Resource Center (COR)

AASHTO re:source (COMP)

AASHTOWare (SCOA)

National Transportation Product Evaluation Program (CHS)

Transportation Curriculum Council (TC3) (CHS)

Committees: Next Generation Corridor Equipment Pool

Committees: AASHTOWare Project, AASHTOWare Pavement, AASHTOWare Safety, AASHTOWare Bridge

Task Forces: Technical and Applications Architecture

Audit Programs: Corrugated Metal Pipe, Elastomeric Bridge Bearing Pads, Geosynthetic Reinforcement, Guardrail/ Guiderail, Thermoplastic Pipe, Reinforcing Steel

Product Evaluation Programs: AASHTO Product Evaluation Listing (APEL), Asphalt Release Agents, Concrete Admixtures/ Concrete Curing Compounds, Detectable Warning Systems, Epoxy and Resin Based Adhesive Bonding Systems, Erosion Control Products, Geosynthetic/ Reinforced Geosynthetics, High Friction and Thin Overlays, Pavement Marking Materials, PCC Joint Sealants & Hot Mix Asphalt Crack Sealant

Portable CMS/ Flashing Arrow Panels, Portland and Blended Cement, Raised Pavement Markers/ Snowplowable Raised Pavement Markers, Rapid Set Concrete Patch Materials, Spray Applied Pipe Liners, Sign Sheeting Materials/ Roll up Signs, Structural Steel Coatings/ Concrete Coating Systems, Temporary Traffic Control Devices, Warm Mix Asphalt Technologies

Task Forces: NTPPEP Product Implementation, Performance Graded Binder

Partner Outreach

Technology Initiatives

Performance Measurements

Communications and Marketing

Competency Matrix

Curriculum Management

## Program Delivery and Operations Committees

## Enterprise/Cross-Discipline Committees

## Administration Committees

## AASHTO Centers of Excellence

BATIC Institute, Center of Excellence in Funding and Finance (CFF)

Center for Environmental Excellence (CES)

National Operations Center of Excellence (CTSO)
